Dear Sir,

Please send me a Selective Service Classification card as soon as possible. I was registered with Local Board #134 of Bishop, Inyo County, California; however, I have been informed by them that all data was sent to Local Boards in Los Angeles if the applicants formerly resided there. An year ago, I lived at 410 So. Crocker Street, Los Angeles. Therefore, I was in the district of your Local Board.

Since it is now mandatory that everyone have in his possession a Selective Service Registration card and a Classification card, I shall appreciate your issuing the latter to me at an early date.

Thank you very much!

Very truly yours,
